SLOW SKYE

Our mission is to encourage travellers to immerse themselves in the local culture and natural surroundings of our beautiful island, rather than simply rushing through the popular tourist attractions. This approach promotes a deeper connection by focusing on quality experiences, sustainability, and respect for the environment. It encourages travellers to engage in activities like walking, cycling, or using public transportation, allowing them to appreciate the journey as much as the destination. Our Slow Skye itineraries are designed to showcase some of Skye's hidden gems, walks and small businesses off the tourist trail.

TRAVEL RESPONSIBLY

- DO EAT SEASONAL AND LOCAL PRODUCE
- DO CHOOSE BIG HIKES OVER BIG DRIVES
- DON'T DUMP YOUR RUBBISH
- DO PACK YOUR REUSABLE WATER BOTTLES AND COFFEE CUPS
- DON'T LEAVE THE TRAIL IF YOU'RE ON A HIKE
- ALWAYS FOLLOW THE OUTDOOR ACCESS CODE

SEA KAYAKING

Spend a day at sea, taking in the dramatic coastline and abundant wildlife of Skye's south end. South Skye Sea Kayak offer full and half day packages which provide a unique and unforgettable view of the island.

CASTLES & WHISKY

Delve into the world of Skye legends whilst exploring the ruins of Dùn Scaith Castle.

Visit Eilean Iarmain where you can peruse local art at the An Talla Dearg Gallery, sample traditional gaelic whiskies and relax with a pub lunch in the Am Pràban bar.

Whisky fans can also visit the nearby Torabhaig distillery for a tour of the impressive grounds.

VIKINGS & BRUNCH

Drive straight past the Fairy Pools (and the tourists) and park up at the Glen Brittle campsite to start your walk out the the viking settlement of Rubh an Dunain. It's a long one so bring sustenance - the campsite shop sells pastries and coffee to takeaway.

Afterwards, head to Café Cùil in Satran for a stylish hebridean brunch and a browse in their shop and deli!

THE ISLE OF RAASAY

Dolphin spot on the ferry from Sconser - it only takes twenty minutes and if you ditch the car, a return costs under a fiver. Once you arrive, hire bikes from Raasay House and cycle up to the impressive Dun Caan for stunning views across the Raasay Sound.

Sip on a well earned G&T at the iconic Raasay Distillery and watch the sun set over Skye.

Top tip: the community owned shop is very well stocked - perfect for a picnic stop during your cycle!
